United States v. Gregory Ciccone
Criminal No. 11-554

Dear Judge Hayden:

As you know, Louis Esposito and I represent defendant. With the consent of the government, we respectfully request a two week adjournment of the current motion schedule which is December 21 for defense motions, January 8 for government response and a January 23 hearing date. We are currently exploring a possible plea and need the additional time to do so. Moreover, we need to review a search warrant affidavit that we understand has just been unsealed. The requested adjournment would have no impact on the trial date which is scheduled for March.

We await the Court's advice. If you have any questions or comments, please feel free to contact me. Thank you.

Respectfully,

Salvatore T. Alfano

c- Louis Esposito
Joseph Mack
